THE 2010 PORSCHE PANAMERA

If anyone can truly appreciate the new 2010 Panamera, it's a Porsche enthusiast. An amalgam of sport, luxury and sedan, it is all Porsche, yet all together different. The Panamera Turbo soars from zero to 60 mph in 4 seconds - a mere pit stop on its way to a top speed of 188 mph - while providing the creature comforts and appointments you'd expect of a Porsche luxury sedan.

Take the first step of joining an even more exclusive club; test drive the 2010 Panamera today at Aristocrat Porsche.
